

A Word from the Mayor News from your municipality

Appointment of Ms. Josiane Alarie as Executive Director and Treasury Secretary

It is with great pride that the members of the Council, as well as myself, officially announce the appointment of Ms. Josiane Alarie as Executive Director and Treasury Secretary. She has been in office since April 3rd.

Relevant experience

Ms. Alarie has over 20 years of experience in the administrative field, including, more specifically, 10 years with the MRC des Laurentides, where she held the office of Acting Deputy Treasury Secretary, as well as a position in communications. Her experience as Executive Director of the Chambre de commerce du Grand Mont-Tremblant was also valuable. During her time with the MRC des Laurentides, she was called upon to work in close collaboration with the general management, so she was able to familiarize herself with several sectors of activity, including the registry, communications, and several special projects.

Welcome to our team!

The urban planning and roads department is hiring an inspector

Procedures are currently underway to hire an inspector at the urban planning and roads department. The team at the Municipality will, very soon, be complete and functional once again!

Oath-taking service

Ms. Alarie is a commissioner of oaths, so your municipality now offers oath-taking services. You simply need to make an appointment by contacting the municipality at (819) 321-2332 ext. 3700 or by email at info@ivry-sur-le-lac.qc.ca. Some legal texts require that a person be sworn in before signing an official document. You are therefore invited to familiarize yourself with the full legal framework relating to oath-taking before a commissioner: [Québec Ministère de la Justice](#). It is important never to sign the document before meeting with the commissioner of oaths; **the document must instead be signed in front of the commissioner after being sworn in.**

The Municipality is reimbursing the extra fees required for non-residents for recreation services (from the Town of Sainte-Agathe-des-Monts)

To provide service to the families of our municipality, a reimbursement for the extra fees required by the Town of Sainte-Agathe-des-Monts for non-residents is possible for certain activities related to sports, recreation, and day camp services. Contact the Municipality, and they will be pleased to inform you!

Visits from wild animals

Are you getting visits from wild animals in your yard? Ah yes, it's possible, since we've chosen to live in an area where vegetation, forests, and rivers abound! You may run into wild turkeys, deer, and even coyotes here! You should know that they aren't usually dangerous. This is their home too; don't forget it!

However, if you notice any strange or dangerous behaviour, such as a wild animal coming too close to your house, you can contact the Ministère des Forêts, de la Faune et des Parcs (MFFP) directly at (819) 425-6375 and they will offer you solutions. Most of the time, the solution, especially for coyotes, is to trap them, so you should only use this solution as a last resort. If necessary, you can also contact the Municipality.

Update on the ongoing files

Here is some information on the various ongoing files in our municipality:

- Municipal street cleaning mandate
The street cleaning mandate has been granted, but since Mother Nature isn't really cooperating and the snow is currently still melting, the streets will be cleaned as soon as possible.
- Follow-up to the formal notice from the Association des pêcheurs sportifs du Québec
A letter has been sent to the Association des pêcheurs sportifs du Québec to follow up on their request. The Municipality is now waiting for a follow-up from them.
- Short-term rentals
The Urban Planning Committee (*Comité consultatif d'urbanisme* [CCU]) will soon meet to review the short-term rental structures and analyze comparable situations from our region. If you would like to give your opinion on the restructuring of short-term rentals in our municipality (namely, whether you agree or disagree, the items you would like to see included, etc.), don't hesitate to share your feedback with us at info@ivry-sur-le-lac.qc.ca by the end of April 2018. The CCU will then meet to define the short-term rental frameworks, which will be presented to citizens at a town hall meeting before being officially adopted.

We will try our best to keep you informed about the subjects related to our municipality. Don't hesitate to contact me; I will be happy to answer your questions.

With that, I wish you an excellent spring!

The Mayor,
Daniel Charette
Municipality of Ivry-sur-le-Lac
