Internet Payment

The account # that should be used to make an Internet payment starts with the letter F (or A) and is followed by a string of 18 numbers. The total of 19 characters should be entered without any spaces or special characters.

You can find the account # on your tax bill on the detachable coupons at the bottom under the reference “ROLL NO.:" (see example below).

The image shows a tax bill with three detachable coupons. The coupons are numbered 3, 2, and 1 from left to right. The bottom coupon (1) contains the 'ROLL NO.' field, which is circled in red and contains the value 'F 0000 00 0000 000 0000 0'. A red arrow points from this field to the 'TOTAL' field in the top right section of the bill.
