

MUNICIPAL NEWS LETTER – JUNE 2023

COUNCIL MEETING

The next Council meeting will be held on Monday, July 17, starting at 7:30pm. The Mayor and Council members will welcome you at the Town Hall, 601 chemin de la Gare. You may also attend by videoconference. We invite you to consult the public notice to be published on July 3 for full details. <https://ivry-sur-le-lac.qc.ca/nouvelles-et-avis-publics/>

MOVING CITY HALL

The project to move the current Town Hall building has unfortunately been abandoned.

A new building will be erected at 601, chemin de la Gare. Location of the Town Hall offices will be indicated in the July News letter.

MOVING MAILBOXES

The mailboxes were moved on June 14 and are now located at 628 chemin de la Gare.

Thank you for your patience

PUBLIC WORKS

Since the thaw, asphaltting work has been carried out on several of the Municipal roads. Over 4,000 pounds of asphalt were spread to fill potholes and uneven roads.

At the beginning of June, street sweeping was carried out so that we could start lining the streets and roads. This work should be completed by the end of June 2023..

SAFETY AT WORK

Safety is paramount over the coming months..

A number of maintenance projects will be getting underway or are already underway, including on chemin Lacasse and montée Daoust in the municipality. We ask you to respect the signage that will be in place. Our employees have installed new signage on chemin du Lac de la Grise at chemin Lacasse to slow down traffic and ensure their safety, that of contractors carrying out the work (pruning, straightening of several signs, etc.) and that of

residents.

WHAT YOU NEED TO KNOW ABOUT THE RESUMPTION OF WORK ON CHEMIN LACASSE AND MONTÉE DAOUST

The work will begin with the installation of signage on the evening/night of June 25-26, and will start at the intersection of chemin Lac-de-la-Grise and continue towards montée Daoust, from Monday to Friday, starting June 26.

Only local traffic will be allowed on chemin Lacasse during the work.

There will be a break in the work during the construction vacations, from July 23 to August 5, 2023. Please consult **INFO-TRAVAUX** on our **website**.

NAUTICAL PATROUILLE

This year, the Municipality has set up its nautical patrol and is pleased to introduce its patrollers, who are also municipal inspectors under the Merchant Navy Act, enabling them to issue statements of offence. They are Louise Brisebois, Mylène Thibault, Marie-Jade L. Beaudry and Martin Bélanger.

Our Nautical Patrol will ensure compliance with our by-law 2020-115 and its amendments concerning boat washing and the use of the municipal landing stage at Lake Manitou, as well as with the regulations governing the Canada Shipping

Act applicable to pleasure boating, more specifically:

- Part 10 of the Canada Shipping Act (2001);
- Small Vessel Regulations;
- Competency of Operators of Pleasure Craft Regulations;

They will inform you, guide you and ensure greater safety on Lake Manitou. If you see your boat on the lake, don't hesitate to meet and greet them - they'll be there for you!

Illegal boat launches often take place on vacant lots where no barriers have been installed. We are asking affected property owners to install a barrier at their private entrance in order to stop illegal boat launches, and above all to preserve the health of Lac Manitou. **Let's be vigilant!**

AQUATIC AND NAUTICAL SAFETY !

NATIONAL DROWNING PREVENTION WEEK FROM 16 TO 22 JULY 2023

DROWING IS PREVENTABLE !

Be an ambassador for National Drowning Prevention Week.

The Lifesaving Society is proud to launch National Drowning Prevention Week (NDPW).

In the run-up to what we hope will be a warm and sunny season, it's important to remind everyone of the various prevention messages.

The theme of the 30th SNPN will be Drowning is avoidable. By adopting and promoting safe behaviours, and by spreading prevention messages, everyone can contribute to promoting safe interactions with water, and thus reduce the number of drownings in Quebec.

Become an ambassador for National Drowning Prevention Week by completing the membership form! <https://societedesauvetage.org/snpn/formulaires/>

THE SÛRETÉ DU QUÉBEC

The Sûreté du Québec cadet program is back in 77 cities and municipalities across the province for a 13th year. Among other things, cadets will provide a presence in neighborhoods and parks, respond to citizen inquiries and enhance the work of patrol officers by carrying out surveillance and prevention activities with the public.

Four motivated cadets have been appointed by our MRC (two duos) and will be visible in our Municipality this summer. Don't hesitate to go and meet them.

ENVIRONMENT

QUEBEC WASTE REDUCTION WEEK FOR 2023

We would like to remind you that you can contribute to significantly reducing the management of your residual materials. Do you have a project aimed at reducing the use of single-use products and promoting eco-responsible purchasing practices? Don't hesitate to submit it before June 30, 2023, by visiting our website:

A beaver dam has been destroyed at Lac-du-Fer-à-Cheval without authorization from the Municipality, which is prohibited under article 6 of the Loi sur la conservation et la mise en valeur de la faune!

We ask you to contact the Municipality who, with the help of the MRC des Laurentides, will see to the dismantling of the dams without endangering the animals and sediments that may result from this destruction in the surrounding waterways.

FÊTE NATIONALE DU QUÉBEC

FÊTE NATIONALE DU QUÉBEC - ENTREZ DANS LA DANSE

Bonne fête nationale !

On June 23 and 24, join in the dancing and celebration. The entire population is invited to come and dance and celebrate proudly at one of the many festive sites.

You can find all the events taking place in the area on the following website:
<https://fetenationale.quebec/fetes-regionales/>

CANADA DAY

1st July 2023, the ceremonies for Canada Day will commence at 11:45 a.m., following all the Canadian broadcast platforms across Canada.

From 7 to 10 p.m., the evening show will be broadcast live from the nation's capital and on all Canadian broadcast platforms. This 2-hour concert brings together people from across the country to the rhythm of Canadian music. See artists perform, broadcast from major Canadian cities, and take the opportunity to sing and dance to Canadian classics and recent hits. The evening concludes at 10 p.m. with the Canada Day fireworks display.

LEISURE, CULTURAL AND ARTISTIC ACTIVITIES

In our next monthly newsletters, we'd like to publish activities (shows, vernissage, crafts, hiking) - in fact, anything and everything related to not-to-be-missed events in our community! Is there a show near you that you'd like us to attend? We're here for you! Send us your articles (200 words maximum) with one or two accompanying photos, and we'll publish them! Take out your pencils and camera, and send them with the subject line: Monthly Newsletter to the following address: adjointe@ivry-sur-le-lac.qc.ca
